BLIND TIGER

Found in the Grip of a Blind Preacher.

Princeton, Ky., June 6.—George Clover, a negro, was arrested here as an alleged bootlegger by Officers McLin and Martin just as he stepped from a passenger train coming from Hopkinsville. His suit case was searched, and he was found to have an unlawful quantity of whisky in his possession, mostly in pints and half-pints. "Blind George," as he is commonly called because of his inability to see, poses as a preacher. Mat Duke, another negro of this place, was arrested also at the same time for alleged bootlegging, and was found to have an awful quantity of wet goods in his possession.

AT FAMED OLYMPIA

The Press Boys Are Having The Time of Their Lives.

BLUEGRASS OVERLAND TRIP.

With Receptions At Frequent Stops On The Road.

Olympia, June 10.—After a day of continuous entertaining, the Kentucky Press Association opened its annual mid-summer meeting at Olympia Springs. A beautiful hotel located in a valley with the green verdure of the mountains as a background wherever the eye may turn, the location is almost ideal.

The mid-summer meeting was called to order by the President, Mr. E. D. Shinnick, of Shelbyville.

In behalf of the noted management, Mr. Frank Taylor, a former member of the K. P. A., in a few well chosen words, welcomed the Association to Olympia, and formally turned over to them the keys to pleasures, attractions and numerous comforts of the famous resort.

Gen. W. B. Haldeman, of the Louisville Times, responded on behalf of the association—in just the way that has made him famous wherever his name is known. The reports of the president and secretary-treasurer were then made and accepted.

In his happiest manner, Col. Lov-ing W. Gaines, the "youngest member" of the K. P. A., dealt with the subject "Reminiscences." Col. Gaines touched upon the history of the association, and especially upon his connection with the same, as this was the silver anniversary of his membership in the association.

The next paper on the program was "Tonics for Country Papers," by Woodson May, Somerset Journal. Mr. May dealt with the mistakes of the country papers, and the chief tonics to correct same. The meeting then adjourned for the morning.

We cannot help but touch upon the wonderful trip and reception given the members of the Kentucky Press Association by the State Journal of Frankfort. In two special cars attached to the C. & O. train, two hundred editors landed at Frankfort at 10:30 Monday morning. At once we went to the new establishment of the State Journal. Here Mr. Graham Vreeland and Mr. Newman did the honors. The new plant of the Journal embodies not only the latest ideas of printing house construction, but also the very latest in its mechanical features. The whole plant is located on one floor, and that floor is 100 ft. square.

Following a preliminary look about the plant, the visitors were served with a buffet luncheon, the menu for which was as follows:

Champagn Punch,  
Two-yr-old Country Ham,  
Tomatoes, Stuffed with Chicken Salad  
Saratoga Potatoes,  
Neufchatel Cheese Sandwiches,  
Beaten Biscuit, Stuffed Olives,  
Iced Tea.

After the inspection of this wonderful new establishment, further pleasures were provided for the members of the association. At 1 o'clock, automobiles secured by the State Journal, whisked the members of the K. P. A. away on a true "Joy Ride." As we sped over those smooth Bluegrass Pikes, between meadows and pastures that have already been made famous by song and story, we couldn't help but think of Judge Mulligan's famous poem, and to agree with him that "everything is the best in Kentucky."

Our first stop was made at the famous Old Taylor distillery on the Glenn's Creek Road, one of the show plants of its kind in the country. Here Col. E. H. Taylor, Jr., dis-

HUNTING AND FISHING CLUB

Preparing For Big Barbecue To Be Held On Monday, July 14.

ELECTION DAY IN AUGUST

The Club Is In Fine Condition For Another Year's Sport.

The Hopkinsville Hunting and Fishing Club is looking forward for a great day on the second Monday in July, it being the day for the annual election of officers.

The club is in fine shape for great sport the coming year. But the club is preparing to make the day a notable one by giving a grand barbecue, which will surpass anything of the kind for a long time. Mr. A. C. Overshiner has been put in charge and will make the feast of good things everything that it should be. He is making his plans and expects to secure the services of J. P. Watson, of Montgomery, in barbecuing the carcasses for the day. Mr. Watson, is recognized as an expert in barbecuing meats of all kinds, while Mr. Overshiner is fully competent to manage all other parts of the great feast under contemplation.

Mr. W. M. Hancock, the President of the Club, and W. H. Cummins, the Secretary, will also have much to do with the preparations. The Club has control of the fishing and boating privileges of Lake Tandy, where the barbecue is to be given and on that day each member will have the privilege of inviting two guests to participate in the festivities.

The club, a few days since, admitted to its membership the following persons: M. C. Forbes, Henry M. Frankel, Lionel Duke, Ben Warfield, Archie Higgins, Hunter Wood, Jr., and W. A. Cornette.

pensed hospitality in the true old Kentucky manner, and it was with regret that the editors tore themselves away to go to further pleasures. The next stop was one of the biggest treats of the whole trip. A stop was made at the wonderful country establishment of Johnson N. Camden, near Versailles. One could look at the beauties of this beautiful place and feel that they had fallen into a veritable Eden. More true hospitality here, dispensed by the charming Mrs. and Miss Camden. After a visit to the sunken garden, the stables, etc., we again betook ourselves to the machines and sped over the famous old state pike to Lexington.

Here a special train was waiting for us, and soon we were at the famous resort, eating a supper that couldn't have been improved upon.

TAX LEVY FIXED \$1.50

Total Is The Same It Has Been Heretofore.

The adjourned meeting of the Council was devoted largely to fixing the levy Monday night. It was left the same as it has been for several years, \$1.50 on white and \$1.25 on colored property owners, on the \$100. The general fund is 95 cents, the school fund 45, the railroad sinking fund 5 cents and the school bond sinking fund 5 cents. The colored people pay only 25 cents on schools instead of 50 cents. The poll tax is \$3 for whites and \$2.50 for colored men.

An ordinance providing for the election this fall, in the usual form, was passed. Several street matters were brought up and referred to committees.

Councilman Bradley made a motion, which prevailed, that the enforcement of the chicken ordinance be held up until December.

School Board Wins.

The contract by which the Christian County Board of Education agreed to pay \$7,000 of the cost of the lot and foundation and \$3,000 annual tuition to the Hopkinsville High School, was upheld by the Court of Appeals, affirming the Christian Circuit Court. The County and City Boards of Education, under the act of 1908, establishing county High Schools, entered into an agreement for the erection of a joint High School, but the county board found it would not have the funds, so transferred its half interest in the site to the city board and made the agreement for an annual payment. The county superintendent refused to pay, contending that the county board had acted beyond its authority; that it was "overreached" in the transaction, and that it was incurring obligations beyond the amount of its annual revenue.

McCREARY'S HAT IS TOSSED IN U. S. SENATORIAL RING

Frankfort, Ky., June 11.—Gov. James B. McCreary Monday night announced his candidacy for the democratic nomination for United States Senate from Kentucky to succeed Senator W. O. Bradley, republican. The candidacy is subject to the democratic primary in August, 1914.

He will contest in the primary with Congressman A. O. Stanley, who announced his candidacy several weeks ago, and former Governor J. C. W. Beckham, who was nominated over McCreary in a democratic primary for the senate vacancy to which Senator Bradley was elected when the long deadlock in the legislature was broken five years ago.

MORNING DAILY

To Be Started In July By John C. Duffy and Others.

County Attorney John C. Duffy is about to succeed in his ambition to launch a morning daily and announces that on or about July 1 The Hopkinsville Democrat will be started in the former office building of the New Era on West Seventh street. Mr. Duffy will direct the policy of the paper, but its management will be in other hands. The editor will be Eugene Travis, of Camden, Tenn. Chas. L. Nourse will be business manager, Herschel A. Long, will be city editor and F. O. Wallace, of Guthrie, will be in charge of the mechanical department. Mr. Duffy some time ago bought the plant of the former Hopkinsville Messenger and will supplement it with a new outfit. The paper will be Democratic in politics and will be issued every morning except Monday.

Goes To Pittsburg.

Dan W. Perry returned Tuesday from Lexington. He graduated from the State University in electric engineering. He will be here until July 1st, when he will go to Pittsburg, where he has accepted a fine position with the Westinghouse Electric Company. His father, R. v. H. F. Perry, who died several years ago, was a Cumberland Presbyterian minister.

Attendance 514.

The steady growth in the attendance at the Sunday School of the First Baptist Church reached its high tide mark last Sunday when, despite the inclemency of the weather, the attendance was 514. Every class room is crowded beyond its capacity.

Publicity Law Valid.

Washington, June 11.—The validity of the "newspaper publicity" law, enacted in 1912 as a provision of the Postal Appropriation act, was upheld yesterday by unanimous decision of the Supreme Court of the United States. Chief Justice White announced the court's conclusions.

AUTOMOBILE ACCIDENT

Machine Cut Telephone Post In Two And Climbed Embankment.

OCCUPANTS SLIGHTLY HURT

Damage To Large Car Will Not Exceed \$150---Owned By Dr. T. W. Blakey.

Though most or all of them had to remain at home for a day or two on account of their injuries, an automobile party are still congratulating themselves on a miraculous escape from death by an accident last Monday night.

The party was composed of Miss Mary Clark and her visitor, Miss Virginia Booth, of Lawrenceburg, Ky., and Messrs. Churchill Blakey and Gilmer Bell. They were out early in the evening in Dr. T. W. Blakey's new 40 h. p. Cadillac car. They had gone out on the Clarksville pike as far as Mr. H. I. Minty's farm, and when they got to or near the Clark's branch bridge at a short turn in the road the machine got from under the control of Mr. Bell, who was driving. It is supposed that in his efforts to stop the car he put his foot on the wrong pedal. The machine started forward with a bound, skidded as the turn in the road was made and the guard rail in front struck a telephone pole. Fortunately the pole was a small one and pretty well rotted. The guard rail bent and the right spring struck the telephone pole and broke it off. The car never stopped, but ran up an embankment about seven feet high, righted itself and straddled a hedge fence, following it for about one hundred feet and turned into a tobacco patch, when it stopped.

All the occupants of the car were thrown out into the orange hedge and were badly scratched but no limbs were broken or injuries received from which they will not soon recover. Miss Booth's injury, a sprained ankle, was the most painful sustained by the four. She was kept in her bed for a day or so, and the swelling has not yet altogether disappeared. Miss Clark was bruised and scratched by the briars and had to remain in bed a day or two.

Mr. Blakey was pretty badly bruised and scratched.

Dr. Blakey's Cadillac is a large one and was put into service this year. It certainly stood a fine test Monday. The mud shields on the left side were slightly bent when the machine turned on one side, the left running board will have to be replaced, the left front spring has to be trued up and a new guard rail put in, and the machine will be as good as ever. No part of the car has a scar on it except those indicated. \$150, it is said, will easily cover all the expense of the new parts and the work to be done.

The car and the ladies and gentlemen were brought back to town by M. E. G. Peterson in the trouble car of the Cadillac Co.

AUTO SKIDDED

And Struck Buck Shelton's Buggy, Causing Slight Damage.

Monday afternoon as L. M. Cayce was passing Buck Shelton in his buggy, at Ninth and Main streets, Mr. Cayce's auto skidded and struck the left hind wheel and broke one of the perch poles of the buggy. The damage did not amount to more than two or three dollars.

Tomorrow will be Friday June 13, 1913. If there is any bad luck in Friday or in thirteen, get ready for the coming calamity.

ACCIDENTALLY SHOT IN BACK

Sudden Ending of a Charivari Party Last Monday Night.

JAMES McGEE WAS VICTIM.

Young Man's Life Is Not Considered In Much Danger.

A charivari party's fun was brought to a sudden end last Monday night by one of the party being shot in the back, the ball coming out at the left shoulder.

The victim was a son of Mr. James L. McGee, who lives on the Kinkead place, in the Southern part of the county, a few miles from Newstead.

A young couple of the neighborhood had been married and their friends got together and had gone to the house where the bride and groom were stopping and proceeded to let them know that they had arrived. Shortly after they had begun their serenade a pistol shot rang out and young McGee received a ball in his back.

Of course nothing of the sort was expected and the "fun" for the evening was over. Somebody in the crowd had a pistol, and the first report of the accident received here was that the pistol fell out of the owner's pocket and went off. Mr. Tandy McGee, who lives here, said that he heard afterwards that the owner of the pistol had it in his hands and was "breaking" it and it was accidentally discharged.

The young man, who received the immediate attention of a physician, was not believed to be fatally injured from the shot, and was doing well at last reports. He is about 19 or 20 years of age, and his parents did not know that he had been away until he was brought home.

IN CIRCUIT COURT

Two Negro Murderers Given Life Sentence To The Pen.

Geo. Hight, fined \$25 for carrying concealed weapon.

Hattie Green Ely, grand larceny, hung jury.

Many cases were filed away, continued or reset for later in the term. Several were dismissed.

Filmore Tandy, malicious cutting, find \$50 and costs.

Curtis Stewart, shooting, fined \$50 and costs.

LIFE SENTENCE.

Chas. Minor, for the wilful murder of Charles Gilmore, near Gracey, last fall, given a life sentence. Nine of the jury favored the death sentence. The killing took place on the farm of L. A. Summers. Gilmore lived a day and a half after being shot in a cornfield where the negroes were gathering corn.

SPRINGFIELD GOES UP.

Horace Springfield, colored, was tried, found guilty and sentenced to life imprisonment in circuit court here all in one hour. When the prosecution ended its evidence, Springfield entered a plea of guilty. The negro was charged with wantonly killing Will Jones, another negro, at a country store last winter.

Circuit Court is still engaged with the damage suit of McLean College against the Hopkinsville Water Co., which was taken up Monday. It is being hard fought and there will be several speeches.

Recitals.

Miss Elizabeth Nourse's music class gave a recital at her home, on East Seventh street, yesterday morning. Another will be given this morning at the same hour. The gold medal went to Miss Florence Bassett for proficiency, Miss Elizabeth Fox taking second prize.

Thousands of dollars worth of merchandise, purchased from the flood districts to be placed on sale for what it will bring. I was fortunate in buying a great quantity of up-to-date merchandise, consisting of Dry Goods, Clothing, Shoes, Notions, etc., from various companies in the flood district at a very low price, on account of recent flood. These goods are clean in every respect, but were delayed on the road and some were slightly damaged by water of the overflow, and I must dispose of same at any old price. Never before have such low prices on clean merchandise been known in the history of Hopkinsville. Many attempts did the railroad company try to deliver these goods to the various districts, but on account of recent flood and overflows were unable to do so, but as I was the lucky man, I will give the people of Christian and surrounding counties the Biggest Bargains people ever knew through life time.

## CONSUMPTION

### Caused Death of Miss Ada Har- rison.

Miss Ada Harrison, daughter of  
 Mr. John W. Harrison, died Monday  
 night at the home of her parents,  
 East Twelfth street, after an illness  
 of several months of consumption.  
 She was twenty-three years old and  
 a member of the First Baptist church.  
 The deceased was in the employ of a  
 dry goods house at Terre Haute,  
 Ind., as saleslady until about the  
 first of January last, when she was  
 taken ill. In April she was brought

 C. M. Thompson and the interment  
 took place in Riverside Cemetery.

## Deafness Cannot Be Cured

by local applications, as they cannot  
 reach the diseased portion of the ear.  
 There is only one way to cure deafness,  
 and that is by constitutional remedies.  
 Deafness is caused by an inflamed con-  
 dition of the mucous lining of the Eus-  
 tachian Tube. When this tube is inflamed  
 you have a rumbling sound or imperfect  
 hearing, and when it is entirely closed,  
 deafness is the result, and unless the in-  
 flammation can be taken out and this  
 tube restored to its normal condition,  
 hearing will be destroyed forever; nine  
 cases out of ten are caused by Catarrh,  
 which is nothing but an inflamed con-  
 dition of the mucous surfaces.

We will give One Hundred Dollars for any case of  
 Deafness (caused by catarrh) that cannot be cured by  
 Hall's Catarrh Cure. Send for circulars free.

## THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD

Practically a Daily at the price of a Weekly.

No Other Newspaper in the World Gives So Much at So Low a Price.

This is a time of great events and you will want the news accurately and promptly. The Democrats, for the first time in sixteen years, will have the Presidency and they will have the Presidency and they will also control both branches of Congress. The political news is sure to be of the most absorbing interest.

There is a great war in the Old World, and you may read of the extinction of the vast Turkish Empire in Europe, just as a few years ago you read how Spain lost her last foot of soil in America, after having ruled the empire of half the New World.

The World long since established a record for impartiality, and anybody can afford its Thrice-a-Week edition, which comes every other day in the week, except Sunday. It will be of particular value to you now. The Thrice-a-Week World also abounds in other strong features, serial stories, humor, markets, cartoons; in fact, everything that is to be found in a first class daily.

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and the Hopkinsville Kentuckian together for one year for \$2.65.

The regular subscription price of the two papers is \$3.00.

**Educational Department of  
The Redpath Chautauquas**

THE educational features of the Redpath Chautauqua are to be emphasized more than ever before. Dr. William A. Colledge, formerly of the Armour Institute of Technology, a well known educator and author, has been appointed director of the educational department. Dr. Colledge has arranged for each Chautauqua a series of instructive and entertaining lectures that are certain to delight and stimulate Chautauqua audiences. These lectures will be delivered each morning at 10 o'clock, and an interesting discussion between lecturer and audience will follow each lecture.

Dr. James W. Crook of Amherst college, Amherst, Mass., will take up such subjects as "The High Cost of Living," "The Problems of Population and Poverty" and the "Transportation Problem."

Mr. William E. Danforth gives dramatic interpretations of such modern plays as "Kindling," "The Return of Peter Grim" and "The Fortune Hunter."

Mr. Charles Edward Varney will deliver a series on popular psychology under such titles as "The Harnessing of a Fairy" and "The Taming of a Giant."

Dr. Bartlett discusses "great American problems," such as "Wealth From Waste" and "Does the American Know How to Play?"

Dr. Colledge, Professor Kline, Mr. Thompson, Dr. Huelster and Mr. Wallace Bruce Amsbury have equally interesting courses on Literature, Popular Economics and the Drama.

One of these gentlemen will be on the program of each of the 110 Redpath Chautauquas this season and deliver a course of five to six lectures.

Also, no modern educational movement has been as far-reaching or done more thorough work than the famous Chautauquin Reading Circle of Chautauqua, N. Y. The courses of study which this institution, under the guidance of men of national prominence, introduced broadened the intellectual horizon of thousands of men and women, stimulated their minds, cultivated the habit of thinking and also furnished them with an attractive, compact and interesting year's reading. This season the course has been named the "New Classical Year," and such subjects as "Where Civilization Meets," "The Message of Greek Art," "A Reading Journey Through Greece," "Studies in the Poetry of Italy," along with the Chautauquin Magazine, make exceedingly popular and instructive reading for winter. Such a course is equally adapted to the individual, the family circle or a club.

The Redpath Chautauquas are affiliated with the Mother Chautauqua, New York. The morning lectures on the Redpath Chautauqua will form regular Chautauquin reading circles for study during the winter.

Dr. Colledge is hoping that good sized circles will be organized in each community, so that the intellectual stimulus, breadth of vision and mental grasp which come from the Chautauquin Reading Circle will become a part of the lives of thousands.

**Cordial Invitation to Become  
Real Members of the Redpath Family**

We have chosen this community as the center for one of our chautauquas because we have faith in the enterprise, enthusiasm, and genuine chautauqua spirit of your citizens. We believe that the program we are offering this season eclipses any seven-day chautauqua program ever presented and likewise we have confidence in the ability of the people of this section to appreciate good things.

But not only do we invite you to attend, but to become real members of the big Redpath family, both by fellowship with your friends at the chautauqua grounds, and by making the acquaintance of the management, the superintendents, and of the live young college men who comprise the tent crews. Cordially yours,

HARRY P. HARRISON,

Pres. and Gen. Mgr. Redpath Chautauquas.

### SUDDEN DEATH

Robert Browning Had Relapse  
of Pneumonia.

Robert Browning, a nephew of Mr. John L. Harvey, died suddenly Monday night. He had not been well for several days. He had, as he thought, entirely recovered from an attack of pneumonia, and went out auto riding with some friends Sunday, when he took cold.

His fresh cold began to tell on his energies Monday and he died about six o'clock that evening. His remains were sent to Madisonville on the 10 o'clock train for burial Monday.

The deceased was a son of Mr. and Mrs. Woodson Browning, of Madisonville. He was twenty years of age and was a bright young business man and came here in the spring and took a position with the Imperial Tobacco Co., in the stemming department. He roomed in the Hillie flats, where his death occurred.

### CROFTON COUPLE

Married Here Last Tuesday  
Night.

Miss Exie Croft and Mr. C. Luther Brown, of Crofton, came to this city late Tuesday afternoon in an auto and were married by Rev. H. D. Smith at his home, a little after dark.

It was not an elopement, everything having been arranged for the ceremony during the day. There being no minister of the Church of the Disciples at Crofton, and being desirous that a member of that denomination should perform the ceremony, they communicated with Dr. Smith to be at his home at a certain hour and marry them.

After the ceremony they motored back to Crofton.

### Home Grown Peaches.

W. H. Hill, of near Fairview, brought the first peaches of the year to the city this week. Keeling, the strawberry man, is still marketing berries. Raspberries will be on the market in a few days.

## PARK OPEN ON JULY 4

Name Plates of Revolutionary  
Heroes Dedicated On  
Same Day.

A consignment of 72 park benches from C. Hennecke Co., Milwaukee, Wis., has been received this week for Virginia Park. The improvements at the Park are nearing completion, the pavilion being the unfinished portion. It is expected to have everything ready for the formal opening of the Park on July 4th.

On the same day the formal presentation of the bronze name plates containing a list of Revolutionary soldiers buried in Christian County, will be presented by the Col. John Green Chapter, D. A. R. These plates have already been placed on the stone posts at the Southern entrance to Riverside Cemetery. It is probable that the program for both events will be merged into one. The plates to be unveiled at the Cemetery, after which formal exercises and speech-making will be in the Park.

Bob Taylor Lives,

In the two bright and beautiful books just issued, "Lectures and Best Literary Productions," and "Life and Career" of Senator Robert Love Taylor, handsomely illustrated, you cannot hear again his voice or see the humorous curl of his lips, that convulsed a continent with laughter, but, within the covers of these volumes, are the pictures woven of his wondrous words, and, laughing through their sunny pages, are all of the inimitable stories which he told to the multitudes. In "Life and Career," pens of genius have traced his romantic life from its morning in "Happy Valley," through his young and roseate dreams, through stress and storm, through cheering throngs, and on into the waiting shadows, loved and laurel crowned.

We expect to sell millions of these books. First edition going fast.

Cloth, \$2 the Volume, \$4 the Set, Half Morocco, \$2.75 the Volume, \$5 the Set, Full Morocco, \$5.50 the Volume, \$10 the Set. The people want them. A harvest for Agents. Liberal commissions. Address,
